Creation Date 1970's
Materials Glass and Metal
Dimensions H.30in;
H.76.2cm;

Dealer Reference Number GDL-AVM-03

Incollect Reference Number 658539

This is the first time I've seen this rare model LS 163 by Carlo Nason for A.V. Mazzega. Six large discs are worked in the Zanfirico technique and hang from a lacquered white ceiling support at the end of very fine chains. It has one light bulb 100 W. Each disc is 36 CM 14 inches in Diameter. This light is part mobile and part hanging lamp.
