Elegant Late '30's Italian glass lantern attributed to Seguso. The lantern is either Seguso or Venini but likely Seguso. Exact documentation is currently unavailable but there is a very similar lantern found in the Venini catalogues. The heavy glass is made by the blown in mold glass process and is held in a frame of bronze. Wonderfully patinated. drop 28" glass H 17" diameter top 13" diameter bottom 10"
